REUNION NEWS

It's almost time again! Did someone put this year on "fast forward" or what? Please make reservation by May 24th if at all possible. Friday morning at 10 o'clock we will tour Lititz, Pennsylvania, where our Joseph settled in 1754. I understand several buildings are still standing that were there when Joseph lived there. Friday evening about 7 o'clock a soup and sandwich buffet will be served in the hospitality room. These times aren't written in concrete and can be changed for everyone's convenience.

Saturday, a tour of the countryside is scheduled for 10:00 AM and lunch will be served at the Bird-In-Hand Family Restaurant at 1:00 PM. The business meeting will follow the meal.

We need from you: a few door prizes, more than a few items for the country store (which is the money maker for the cemetery fund), and some talent for the program. Would you let me know about your talent so I can prepare some type of program? Don't be bashful and humble.

The council was contacted by Howard and Ruby Boyles who are on the cemetery committee. We voted to do as much landscaping work on the cemetery as we could with the money we had. The Landscaper suggested that we would be wasting money to not do all of the work at the same time. I think we need about \$1,000.00 more to do all of this work. We appreciate all the work the cemetery committee has done.

You are allowed to do some simple cooking in the hospitality room if you want to. We will eat any goodies you want to bring to share with the group.

Come expecting to have a good time. See you in Pennsylvania in June.

John and Areline Bolerjack
President and Coordinator.

P.S. Please let us know if you plan to come. Drop us a line at 2805 E. Maple, Enid, Oklahoma 73701 or call us at 405 233-6729.

LATE NOTICE REGARDING THURSDAY NIGHT

I just received a call from Areline in reference to rooms at the Bird-In-Hand. There are rooms available even though some were told there were no rooms available. The rooms will not be in the same section, so we will have to move to other rooms for Friday and Saturday nights. If you called and were told there were no available rooms, please call again for a Thursday night reservation.

Bring a jacket or sweater, it could be cool.

NOTE FROM JUANITA

Please make a note of my new address. After months of waiting for my house to sell, I have now moved to Duncanville, Texas, just south of Dallas. I bought a house on the street where my son and his family live.

This newsletter is short due to my moving. I still have stacks of boxes everywhere. I had accumulated a lot of junk, as I lived in the same house for over 29 years.
